CERTIFICATE OF ANALYSIS

Product name:	Organically modified Nano Monmorillonite
Grade:	Tech grade
Test report	
Items	Specifications
Appearance	light yellow or beige powder
Volatile matter at 105°C (%)	≤3.0
loss content on ignition (%)	≥30
Dry powder 500 mesh pass rate (%)	≥95
Specific gravity g/cm ³	1.7
XRD d001 (nm)	3.4
Application: for the modification of thermoplastic polymer to improve its chemical and physical properties.
